EXPERIENCE

Video Editor (Snapchat)

June 2021 - Present

Studio71 | Beverly Hills, CA

- Edited a total of six shows weekly using Premiere Pro.
- Personally assisted with the production of a multitude of shows, specifically based upon short-form internet content.
- Increased engagement directly based on my edits, accumulating to over three million unique viewers and 15 million total.
- Responsible for a weekly, time-sensitive celebrity news show dependent on strict deadlines, quick editing, and effective communication.

Social Media Consultant and Manager

Nov 2020 - Present

Ate The Game | New York, NY

Manage and curate all social media posts for Ate The Game on Instagram, TikTok, and Facebook. Utilizing Instagram and SEO analytics in order to promise the best possible interaction rate. Producing and editing social media videos and content using Premiere Pro, Photoshop, and Later.

Key Accomplishments:

- Significantly increased social media following on TikTok, reaching **8000 followers in one day**.
- Increased sales and interaction on Instagram and Wix website platform.

Freelance Video Editor

March 2021 - June 2021

KINEMA Fitness | Naperville, IL/New York, NY

- Manage the creation of video content for KINEMA's YouTube Channel.
- Utilizing footage to create **four 15-45 minute videos and thumbnails per week**.
- Researching YouTube analytics to configure best hashtags and titles to increase interaction.

Administrative Assistant

May 2019 - September 2019

Underground Magazine | New York, NY

Responsible for day-to-day assistant operations including website updates, social media content (FB and Instagram), event planning, running errands, video editing, magazine layout and design, photoshoots, and appointment scheduling.

Key Accomplishments:

- Created and edited a **ten-page editorial spread using Adobe InDesign and Photoshop**.
- Planned and advertised successful events that benefited local artists.
- Managed and re-designed social media accounts and website hosted on Wix
